

## **COOKIES PRINCIPLES OF THE USE OF COOKIE FILES**

Cookies are small, simple text files, which are saved in your computer, tablet or mobile phone when you visit a website.

### **1 WHY DO WE USE COOKIES?**

---

Cookies enhance and facilitate your search for information. Cookies analyse the traffic on our website and help us design it in a way to offer you an optimised browsing experience. Thus you quickly find what you are looking for, and we offer you information selected for you personally.

### **2 TYPE OF COOKIES DOES OUR WEBSITE USE?**

---

We use three different types of cookies:

- Basic cookies ensuring proper functioning of the website, e.g. displaying it optimally according to your computer (tablet) and browser settings.
- Personal cookies, which save your website settings (e.g. language).
- Third-party cookies, set by service providers other than EMUN PARTNERS family office, a.s., the aim of which is to analyse their content use.

### **3 WHAT IF I SWITCH THE COOKIES OFF OR DO NOT AGREE TO THEIR USE?**

---

If you decide not to use the cookies, the website may not work properly. You can easily remove cookies using your browser. In such case however, you will be asked for approval again, as your saved preferences will be deleted. Cookies are not new, but in compliance with a new regulation we are obliged to ask you for approval before we use them.
